LOCATION OF SANDBAGS

Sandbags and sand are available at BAYFRONT PARK for City of Anna Maria residents for the protection of their property. (See location below). **Please bring a shovel with you as you will need to fill those on your own.**

The number of sandbags per household is limited to twenty (20) to assure that there are enough bags for all residents. If a resident has a physical handicap that would present a problem in filling or transporting the bags, please contact **PUBLIC WORKS at (941) 708-6130 x25** to make arrangements for delivery of the sandbags.

Any questions, please call Public Works at the number above.
